

## Cactus Fly-In Seminar

Arizona Game and Fish Aviation Division will discuss how they plan and use their aircraft in support of their mission throughout the diverse conditions found in the state. Their techniques and precautions can be used by all pilots flying in Arizona.

**Directions:** Seminars will be in the large hangar just south of the fuel pit and directly east of the terminal building parking lot

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
